1. Hosting of European Championships 2023 – extended deadline

The IISHF Presidium has decided to extend the deadline for application of (all) European Championships 2023 finally until 15.11.2022. This is the final deadline without further extension – no application would definitely mean no European Championships in 2023.

2. Hosting of European Cups 2023 – final reminder

For the following IISHF European Cup Title Events as mentioned in the IISHF Communication Letter 2022-14 no applications have been received so they are still open for 2023:

- U19 European Cup
- Men European Cup
- Veterans European Cup
- Masters European Cup

Please remember that without applications until 31 October 2022 that the relevant Title Events 2023 might not take place. **IISHF will announce the updated listing of IISHF Title Events for the European Cups latest on 15.11.2022.**

On behalf of the IISHF Presidium
