## **1. India not participating at the Open Men European Championships 2022**

India has unfortunately not been granted an approved visa to travel to Germany and with very short notice they have to cancel their participation in the Open Men European Championships taking place in Duisburg, Germany on 4-6.11.2022.

This is a very sad situation for India, IISHF and the hosting club Duisburg Ducks and the German Federation. The Open Men European Championships will now take place as the Men European Championships with 5 participating countries (Austria, Denmark, Germany, Great Britain and Switzerland).

## **2. Revised Time Schedule and Tournament Rules for the Men European Championships 2022**

Attached please find the revised Time Schedule and Tournament Rules for the Men European Championships 2022.
