## **8. Official Deadline for NMA Team Reporting 2022**

With IISHF Communication Letter 2022-22 we kindly reminded all National Member Associations (NMAs) that the deadline to send us the number of registered teams (in reference to article §11.12 and §11.13 IISHF Constitution) is 15.01.2023 (today).

On our last AGM 2022 we agreed that the future NMA reporting shall be modified and that for each current year the number of registered teams from the previous year shall apply for all NMAs. As you can see from the attached draft of IISHF Constitution this modification has been accordingly inserted under point 11.12 – 11.14 IISHF Constitution. If the IISHF Council of Members will approve this modification, all the NMAs have to accordingly report as follows:

- a) **Number of inline skater hockey teams which have been registered in that country for the year 2022 and to be reported with the form sheet "IISHF Annual NMA Reporting" including a list with the name of all registered teams for the year 2022. Registered teams are only teams who participated that previous year at the domestic/regional championship or any other official competition in that country or any IISHF European Cup that previous year.**
- b) **Each NMA must provide for all registered teams due to point a) verifiable evidence of their participation (e.g. final league score).**

In addition to the current annual reporting the IISHF Presidium has set a new deadline to **10.02.2023** to meet the requirement for providing team reporting according to **point a) and b) as above**. Please kindly be aware that due to point 3.7 IISHF Regulations a fine of 50 EUR shall apply per each week delay (until deadline is met).

As all the NMAs should already determined and know their final number of teams for 2022, only point b) should be an additional duty for the NMAs. With the implementation of this obligation, however, we eliminate all discrepancies for voting rights in future.

In case of any questions do not hesitate to contact us at any time.

On behalf of the IISHF Presidium  
*Erik Sommer (President)*
