Next you will need to complete the Team Signatory, Issuing Country and your jersey colours.

The Team Signatory is deemed as a person who will be at the event and the person responsible for the teams behaviour.

The easiest way providing the colour information would be to colour the cell using Colour Fill as per the images below. If your jersey is made up with multiple colours, please provide the most dominant colour on the jersey.

Next we need your Team Name.

When entering player information we need the following information in the following formats.

- License Number : Formatted as per your National Member Association
- Player Order
  - Captain
  - Assistant Captain
  - Goalkeeper
  - Goalkeeper
  - Rest of the players
- Last name : Upper case characters
  - Where a player does not have a recoded last name on their passport a copy of the passport may be requested accuracy of information, ensure that a player, bench or other team official is not serving a suspension.
- First name : Title case \ Only the first letter of each other given name is to be capitalised.
- Shirt number: This column applies to both shirts and **MUST** be the same on both the first and second team shirt
- Date of Birth: DD.MM.YYYY
  - Example: 03.04.1983 = 3<sup>rd</sup> April 1983
- Gender: m (male) or f (female).
  - This can be selected from the drop down menu

Date of Birth DD.MM.YYYY	Gender	Nationality
	Female	
	Male	

- Nationality: Drop Down List – Ordered by Member Country and then the rest of the world

**Note:**

On any ITC the same person can only be listed either as a player or as an official

When signing the ITC as per the required sections we once again require this in the following format.
